Farmers GroupSelect®
Auto and Home Insurance Program

We're pleased to offer Nestlé employees access to a group discount program from Farmers GroupSelect. The program offers special discounts to members of participating groups. If it's been a while since you looked at the cost of your policies, you can compare your coverage to this offer to see how it measures up.

In addition to special group discounts, the program includes personal service along with a full suite of products. Coverage for motorcycles, RVs, boats and more is also available.

A few of the program features are:

- **Payroll deduction discount**
- **Towing and roadside assistance**
- **Claim-free driving rewards**
- **Multi-policy discounts**

For more information about available discounts, Farmers GroupSelect can be reached at **855-628-2330** or you can visit farmers.com/groupselect. The Nestlé discount code is **ARH**.
